CEF helped 1,612 students attend Catholic schools in 2017-18. But at least another 495* are awaiting our help! You can help us close that gap and make a **HIGH-QUALITY, FAITH-FILLED** Catholic education available to every child who seeks it, regardless of their family’s economic status.

These students would not have this opportunity without your help. It is beyond their reach, but within yours.

We focus entirely on providing scholarship funds to schools and students in designated urban and rural areas in the Archdiocese of Kansas City in Kansas.

**THE RETURN ON YOUR INVESTMENT IS CLEAR:**

- **98.7%** of CEF students graduate high school
- **97%** of CEF high school graduates attend college
- **14,243** scholarships awarded since 2006
