

# Kansas Tax Credit for Low-Income Students Scholarship Program

CEF is a registered Scholarship Granting Organization (SGO)

Making a high quality, faith-filled education possible for children in need.

## The Catholic Education Foundation (CEF)

CEF believes that ALL children who seek a Catholic Education should be given the opportunity. Since 1997, CEF has awarded over \$17 million in scholarships to students in need.

In January 2015, the Kansas Legislature enacted the Kansas Tax Credit for Low-Income Student Scholarships program, and CEF became a registered Scholarship Granting Organization (SGO) to expand its scholarship initiatives. In partnership with a family contribution, Tax Credit scholarships can cover a significant portion of advertised tuition, fees and expenses.

CEF's participation in the Tax Credit Scholarship program is separate from the traditional program and does not impact current CEF students.

All Catholic schools within the Archdiocese of Kansas City in Kansas are registered for this program, providing the benefits of Catholic education to all types of learners.
